## ORIENT EXPRESS

Outstanding early productivity. Attractive, slender, 8-10", glossy black fruits in the long Oriental style. Tender, delicately flavored, and quick cooking.

## GALINE

Black Bell type. Very glossy, uniform, black fruits are 6-7" long by 3-4" in diameter.

## NADIA

Traditional Black Italian eggplant - It is uniform 7-8 long and 3-4" diameter. It is probably our favorite of the traditional Italian because our Italian customers can't resist Nadia. It is dark purple, flossy, and blemish free.

## TRAVIATA

Traviata has the classical bell shape of the traditional Italian eggplant type. It has glossy black fruit and real good flavor.

# 2019 Specialty Selection

## BARBARELLA

Barbarella is a round, dark purple Sicilian eggplant with excellent taste. The white halo under the calyx is an indication of the tenderness in eggplant. It has a wonderfully dense white flesh, making it extra good for grilling.

## BEATRICE

Beatrice is bright violet, round Italian eggplant that is similar in shape and flavor to Rosa Bianca. Creamy and mild, delicious.

## DANCER/NEON

Dancer is deep pink Italian eggplant. It is mid-size and looks good with Nadia and Nubia because they're the same size with green Calyx -but with a remarkably different color. Dancer is mild, non-bitter and like Neon.

## PALOMA

Paloma's bell-shaped fruits have distinctive ribbing and mildly sweet flavor and creamy texture.

## PROSPEROSA

This seems to steal the hearts of our chef customers. It is a large, round lavender - purple fruit that is as beautiful as it is tasty. Great in eggplant parmesan, creamy and non-bitter.

## ROSA BIANCA

Simply delicious with a mild creamy taste. It is round, plump and streaked with white and violet and sometimes it is ribbed.

# 2019 Mini Eggplant Selection

## CALLIOPE

Calliope has become a customer favorite. It is beautiful, small, oval, white and purple variegated Asian-style eggplant.

## GRETEL (WHITE)

Mini-white: Gretel is a solid white specialty mini eggplant that is a perfect companion to both Hansel and Fairytale. It is tender and bitter-free.

## HANSEL

Mini-dark purple: Hansel is Gretel's companion. . .solid dark purple, tender, non-bitter and perfect for grilling or slicing thin on pizza.

## FAIRYTALE

We love this little eggplant and believe that if our customers tried it they would love it too. It is a gorgeous mini purple and white stripes with a wonderful flavor, NO bitterness and very few seeds. Quick cooking tender and sweet - great to grill.
